

Applicant(s): Hiroyuki UWAZUMI et al.  
Atty. Docket No.: 32307-198189

**REMARKS**

This Preliminary Amendment replaces the original title with a new title. Applicants noted an inadvertent typographical error in the application on page 2, line 14 where " 5,679,472 should be "5,679,473". This Preliminary Amendment replaces the second full paragraph on page 2, lines 12-21 with an amended paragraph. Accordingly, this Preliminary Amendment cancels claims elected in the parent application, U.S. Patent Application No. 09/789,928. Claims 5, 6, 7, 8 and 9 are pending. An Action on the merits is requested at the earliest opportunity.

Respectfully submitted,

Date: Nov 25, 2003

Marina V. Schneller
